posts and 1562 post partum centres. These services were strengthened through a World Bank funded IPP-VIII Project in four cities of Kolkata, Delhi, Hyderabad and Bangalore besides 94 other towns. New urban health projects have been taken up in the cities Lucknow, Aurangabad, Indore, Jabalpur, Bhopal, Kolkata and Guwahati. The urban health is one of thrust areas of Reproductive and Child Health Programme in the Tenth Plan.

(ii) The Reprodcutive and Child Health (RCH) Programme also extends to tribal areas. A tribal health strategy for improving the coverage and quality of RCH services has been drawn up, which will be integrated in the (RCH) Programme in its next phase, preprations for which are underway.

(iii) 12 Adoscent Health Projects are underway. A Task Force has been constituted by the Ministry to draw up the strategy which will be implemented in the next phase of Reproductive and Child Health Programme.
